About Fakir Mohan University

Fakir Mohan University, Balasore, named after the eminent Odia writer Fakir Mohan Senapati, was established by the Government of Odisha under Section 32 of the Odisha Universities Act, 1989 (Act 5 of 1989) and it was notified vide the Government's Notification No. 973, dated 3rd July, 1999. It has been duly recognized by the UGC under section 2(f) of the UGC Act as well as under section 12(B). The University has been recognized by the Association of Indian Universities. The University is accredited by National Assessment & Accreditation Council (NAAC), Bangalore with "A" grade effective from 22.09.2023 and it also has a National Institutional Ranking Framework (NIRF) rank within the band 150-200 for the year 2023. At present the University is functioning in two campuses: the old campus at Januganj and the new campus at Nuapadhi of Balasore, Odisha.

Department Of Law

Fakir Mohan University has marked 25 years (1999-2024) of academic excellence, establishing itself as a trusted institution for quality professional education, attracting students from across the country and beyond. In alignment with UGC and BCI guidelines, the University introduced LL.M. and B.A. LL.B. (Hons.) programs in 2002 and 2017, respectively.

Initially, due to infrastructural constraints, these programs were conducted at Balasore Law College. However, following the development of adequate facilities and under the direction of the esteemed Vice-Chancellor, Prof. Santosh Kumar Tripathy, the University inaugurated the PG Department of Law in its old campus in August 2022. The Department now houses and conducts the LL.M. and 5-Year Integrated B.A. LL.B. (Hons.) courses, marking a significant milestone in the University's commitment to advancing legal education.

About The Seminar

The rapid advancement of digital technology and the widespread use of the internet have significantly transformed modern society, but they have also led to a rise in cyber offences such as online fraud, identity theft, hacking, data breaches, and cyber harassment. These offences often transcend geographical boundaries and create complex legal challenges for traditional criminal justice systems. The determination of criminal liability in cyberspace involves issues of attribution, jurisdiction, digital evidence, and the accountability of individuals, intermediaries, and organizations operating in the online environment. In India, the legal framework for addressing such offences is primarily provided under the Information Technology Act, 2000 along with relevant provisions of the Bharatiya Nyaya Sanhita, 2023, while enforcement efforts are strengthened through institutional mechanisms such as the Indian Cyber Crime Coordination Centre. In this context, the seminar seeks to examine the emerging dimensions of criminal liability in cyberspace and critically analyze the effectiveness of existing enforcement mechanisms, while also exploring the need for stronger legal frameworks, institutional capacity building, and international cooperation to effectively combat cybercrime in the digital age.

Themes

- Theme 1: Concept and Nature of Cybercrime and Criminal Liability in Cyberspace
- Theme 2: Investigation and Prosecution of Cyber Offences: Role of Law Enforcement Agencies
- Theme 3: Jurisdictional Challenges and Cross-Border Cybercrime
- Theme 4: Digital Evidence and Cyber Forensics in Criminal Trials
- Theme 5: Liability of Intermediaries and Online Platforms in Cyber Offences
- Theme 6: Cyber Fraud, Identity Theft, and Financial Cybercrimes
- Theme 7: Data Protection, Privacy, and Cybercrime Regulation
